

Ms Zann Kwan
Co-Founder & CEO, Bitcoin Exchange

Zann Kwan brings with her twenty years of professional experience in finance and investments, of which the last five was spent working in cryptocurrency.

Ms Kwan is the co-founder of Bitcoin Exchange Pte Ltd, a cryptocurrency pioneer that launched the first public bitcoin machine in Asia in early 2014. She sits on the board of ACCESS, the leading blockchain and cryptocurrency industry association. She is also a fellow of the Singapore University of Social Sciences (SUSS).

Ms Kwan was previously a vice-president in real estate investment with GIC, one of the world's largest global investors. She started her career in 1998 in financial auditing with Arthur Andersen and KPMG. Following that, she worked in real estate investments and development in New York City.

Ms Kwan is a CFA Charterholder, Chartered Accountant (CA, Singapore) and a Fellow of Chartered Certified Accountant (FCCA).
