

SUSS NiFT Blockchain Security Alliance

BTSE Announced Official Membership in SUSS NiFT Blockchain Security Alliance.

The SUSS NiFT Blockchain Security Alliance, jointly launched by Beosin and SUSS NiFT, consists of several units with diverse industry backgrounds, including tertiary institutions, blockchain security companies, industry associations, fintech service providers, etc. The first batch of board members include Beosin, SUSS NiFT, NUS AIDF, BAS, FOMO Pay, Onchain Custodian, Semisand, Coinhako, ParityBit, and Huawei Cloud.

On April 21, 2023, BTSE announced that they officially joined SUSS NiFT Blockchain Security Alliance. BTSE is a leading digital asset exchange that makes it easy and safe to trade cryptocurrencies.

The members of the Security Alliance will work together and cooperate to provide security value to the global blockchain ecosystem by leveraging their technical strengths. The Alliance also welcomes more members in blockchain-related fields to join and jointly defend the security of the blockchain ecosystem. As of today, there are 35 members at Blockchain Security Alliance.
